WHY?

As a Friend you will ...

- ⇒ Be involved in the growth of the community
- ⇒ Receive satisfaction from helping your library and others
- ⇒ Be involved in developing, supporting and encouraging library programs
- ⇒ Have the opportunity to share your thoughts, donate your time, and lend your talents.
- ⇒ Be part of a group of people who value a community library
- ⇒ Work with a group of people who believe in the value of the reading and want their community to have access to good books, information resources, digital materials, and all that a modern library has to offer
- ⇒ Participate in meetings and Friends activities and find out what's going on in the library world

Libraries connect us
to facts, to fiction,
to the past and
present, to places
near and far, to new
thoughts and ideas,
to knowledge and
know-how, to
community activities
and to each other.
